**Broadcasters are required to notify recruitment organizations of job vacancies upon the request of such organizations.**

We had had no such request in the above time period.

**Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level of positions.**

Brookdale Community College provides employees with opportunities to attend relevant training programs and seminars through their respective departments. In addition, staff members Brookdale Community College receive a comprehensive educational benefit program. Employees are able to pursue academic learning in their area of interest or career path.

**Participate in scholarship programs for students interested in broadcasting careers.**

A member of WBJB is on the panel for the "Theo Gade Scholarship" which is designed to help students interested in the broadcast industry and who attend Brookdale Community College

**Participate in other events that are reasonably calculated to reach potential job applicants outside of the broadcast industry.**

All 5 staff members of the radio station are required to participate as a guest lectures for 3 radio classes held at the college. Those classes occurred from January 2005 to May 2005 and September 2005 to December 2005
