Broadcasters are required to notify recruitment organizations of job vacancies upon the request of such organizations.

We had had no such request in the above time period.

Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level of positions.

Brookdale Community College provides employees with opportunities to attend relevant training programs and seminars through their respective departments. In addition, staff members Brookdale Community College receive a comprehensive educational benefit program. Employees are able to pursue academic learning in their area of interest or career path.

Participate in scholarship programs for students interested in broadcasting careers.

A member of WBJB is on the panel for the "Theo Gade Scholarship" which is designed to help students interested in the broadcast industry and who attend Brookdale Community College

Participate in other events that are reasonably calculated to reach potential job applicants outside of the broadcast industry.

All 5 staff members of the radio station are required to participate as a guest lectures for 3 radio classes held at the college. Those classes occurred from January 2005 to May 2005 and September 2005 to December 2005
